We're really excited that you're interested in coming to work at Bristol Students' Union!

Part business, part charity, part membership body – Bristol SU is a [seriously fun place to work](#). Our professional staff do something extraordinary every day: we support student leaders to give people a voice in their education, help people get the most out of their student experience and make the change they want in the world.

It's an exciting time to join Bristol SU. We have come to the end of the first year of our 5-year strategic plan that will help to create an inclusive and supportive University community. Over the next few years, we are focusing on increasing engagement, partnership working and reshaping our offer, whilst embedding new ways of enhancing the student experience - both on-campus and digitally, as we emerge from the pandemic.

We are looking for passionate people that share our values and that can bring their positivity and ideas along with an inclusive and collaborative approach to helping us ensure maximum impact for our members. In return, you'll get to work in one of the UK's most vibrant cities (named as one of the best places to live in the UK by the Sunday Times), and have access to a range of generous benefits, great work-life balance, and excellent opportunities for you to build your skills and develop your career.

The Bristol SU Director Team

ABOUT US

The University of Bristol Students' Union is a membership organisation democratically led by students, for students. We represent over 26,000 student members and work to make sure that they get the best from their time at university by providing over 400 clubs, societies and networks, offering free support services and academic advice and representing students on the issues that matter to them. Bristol SU is also home to a number of enterprise services such as a lettings and property-management service, a shop and social spaces and venues selling refreshments and hosting brilliant events. We reinvest all of the profits from these services back into Bristol SU to enable us to continue to support a great university experience for Bristol students.

Our 2020-2025 strategy sets out our destination and areas of focus for the next few years.

Our Destination

Working with students to create an inclusive and supportive university community.

We are working towards this destination by:

- Increasing engagement: Ensuring that our services and activities are of high quality and meet the needs of an increasingly diverse and international student body.
- Partnership working: Clearly understanding what we are uniquely placed to deliver and which activities are best delivered in partnership or by others.
- Reshaping our offer: Making a step change in prioritisation and refocussing our resources and activities on delivering our vision.

OUR VALUES

Our values are the things that are important to us and that guide and shape our behaviours. They describe 'how we do things' here at Bristol SU. They are...

Student-led

This means ensuring that students own and shape our work and are empowered to improve their student experience through effective representation.

Community

Embedding a sense of belonging to the SU, the University and the wider city.

Equality, Diversity and Inclusion

We challenge inequality and empower students and staff to lead the way in a fair and inclusive experience.

Sustainable Futures

Championing the big issues that concern students, such as the climate emergency, financial security and employability.

Positivity

Promoting a culture of joy and wellbeing.

I have been working for Bristol SU a long time and still love it because it is a fun and dynamic place with a great staff team, brilliant students and a leadership team who support and care for staff. No day is ever the same, there are always opportunities to try new things and good learning and development opportunities.

Suzanne Doyle, Executive and Governance Manager

Student community

Bristol SU offers around 400 sports clubs and societies - one of the highest in the country. This means that there is something for everyone to get involved in. Our experienced staff team support Bristol University students to set up and run their clubs and societies, events and volunteering projects. We also run a Volunteering & Fundraising Network which brings together social impact activities at Bristol SU and provides opportunities for students wanting to make a positive impact in the community.

There is always something happening at Bristol SU, including tons of events taking place every day either virtually or in our SU building. Events range from workshops, training sessions and awards evenings to music, comedy and club nights.

Student Voice

Democratic decision making is integral to Bristol SU. Our members elect the people that lead our organisation and represent their voice. Bristol SU is powered by a network of hundreds of student representatives who make sure that student voice is a central factor in shaping the university experience and the decisions affecting their education.

Our advice service, Just Ask, enables us to provide support to students with problems they might be experiencing during their time at university, and our experienced team offers information and support for students needing help with academic issues and concerns.

Student Services

The Students' Union is home to a number of social enterprises that provide services to our student members, reinvesting the profits back into student activity. Our services include our lettings service, which improves the moving experience for students by providing affordable, quality housing solutions. It also includes our shop, 'The Basket', selling a range of accessories, merchandise, gifts, and stationery. We also provide inclusive and vibrant spaces for students to study and connect with others, relax over a meal or a drink, or take part in student-led events.

Trustee Board and Student Leaders

We're a democratically-run organisation, with student officers elected annually who direct our work. Our Board of Trustees holds the ultimate responsibility for everything we do.

Our Board of Trustees is made up of 16 members including our full-time officers, student trustees and co-opted (external) trustees. They meet regularly throughout the year, with committees meeting at regular intervals before each Trustee Board.

Every year, students are given the chance to vote for, and stand to be one of the seven full-time officers who lead our organisation. They are paid a salary and work full-time for one year. Their post involves representing students, making day-to-day decisions on behalf of the organisation and working with the staff team to deliver our strategy.

Finance and Funding

We receive most of our funding from the University which is given to us each year in the form of a block grant. We also raise funds through our commercial activity and receive a small amount from donations and other grants.

We are a charity and therefore do not generate a profit - every penny we make is reinvested back into our services for students.

OUR STUDENT LEADERS

Our full-time officers are elected every March by the student body to take on full-time, paid roles to lead the Students' Union for one year. They represent the voice of students and help improve the student experience at Bristol.

Our 2021 - 2022 full-time officers are...

Impostor syndrome

Impostor syndrome is the overwhelming feeling that you don't deserve your success. It can convince us that we are not as intelligent, creative or talented as we may seem. It often strikes when applying for a job, and has long been thought to disproportionately affect women and people from minority backgrounds.
