Children and Young People

Our Children and Young People's Services are driven by a commitment to provide a safe and supportive environment where every child and young person can thrive.

Through our services, we aim to promote independence, enhance well-being, and foster social inclusion among Disabled children and young people and their families. We strive to empower Children and Young People to reach their full potential, building confidence and resilience along the way.

Our South Gloucestershire Short Break Services offers flexible and high-quality 1:1 support tailored around the individual needs of each Disabled Child or Young Person we work with, delivered in both community and family home settings.

Given the requirement for personal care within the family home for certain individuals accessing our service, CQC registration is needed. Presently, our provision will support six Children and Young People falling within the CQC registration scope. Upon appointment of the suitable candidate for this role, we will proceed with the CQC registration process, including the application for a registered manager.

Role details:

You will be responsible for the day to day running of the South Gloucestershire Short Break service, ensuring the short break is safe, supported, accessible and appropriate for the Disabled Children and Young People allocated. As part of this process you will oversee the CQC (Care Quality Commission) registration for the WECIL South Gloucestershire Short Breaks service and be responsible as the CQC registered manager.

Salary: Band 3 – £34,284 - £39,836
