About Age UK South Gloucestershire

Age UK South Gloucestershire is an independent local charity with its own locally elected board of trustees and is part of the Age UK network. We've been working in the local community to help older people for 25 years. The charity makes a positive contribution to the lives of hundreds of older people in South Gloucestershire every week. Based from our main office in Thornbury High Street, Age UK South Gloucestershire actively designs services that meet the wants and needs of local older people and their families by:

- tackling loneliness and isolation
- promoting health, wellbeing and independence
- supporting families and carers
- helping people access services and financial benefit entitlements
- enabling people to get the most out of life

We respond to more than 5,000 enquiries per year with our range of services, which include: Activity Day Centres, Befriending, Community Services, Improving Homes and Wellbeing, Information & Advice provision, specialist Benefits Advice, Reconnect, Technology Support and Volunteering opportunities.

Our history

1997 Age Concern South Gloucestershire was formed.

2005 Age Concern South Gloucestershire changes its legal structure to become a charitable company.

2009 Age Concern and Help the Aged merge to form the national charity, Age UK. Then in...

2010 ...we become an Age UK Brand Partner and trade as 'Age UK South Gloucestershire'.

2022 Age UK South Gloucestershire is celebrating our 25th Birthday.

Our Partnership with Age UK

Age UK South Gloucestershire is an independent local charity, but we share a brand with Age UK. This trusted and well-known brand helps to open doors for us locally. Of course, we always have to deliver, but it helps to have the strength of the Age UK brand behind us.

Nationally, there are around 130 regional Age UKs, each with a defined geographical area and separate charity number.

We align ourselves with the work Age UK does nationally by supporting their campaigns, sharing reports and news stories, and using their research to underpin grant and tender applications.

Age UK also provides our local MPs with information about older people that can help drive forward local policies and influence at a national level.

Being an Age UK Brand Partner brings certain responsibilities – namely to deliver services to agreed quality standards and to subscribe to shared values of being:

- Caring
- Effective
- Enabling
- Influencing
- Innovative
- Inclusive

We are aligned with Age UK but we are still a local and independent charity. The services we deliver, the money we raise, the people we support are all in South Gloucestershire. Our Trustees are responsible for strategy, policies and legal compliance.

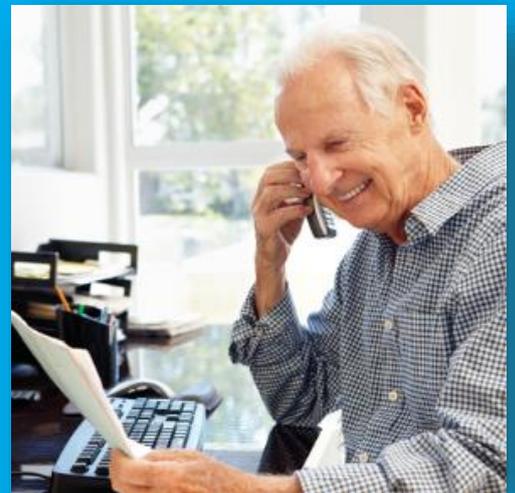

Working for Us

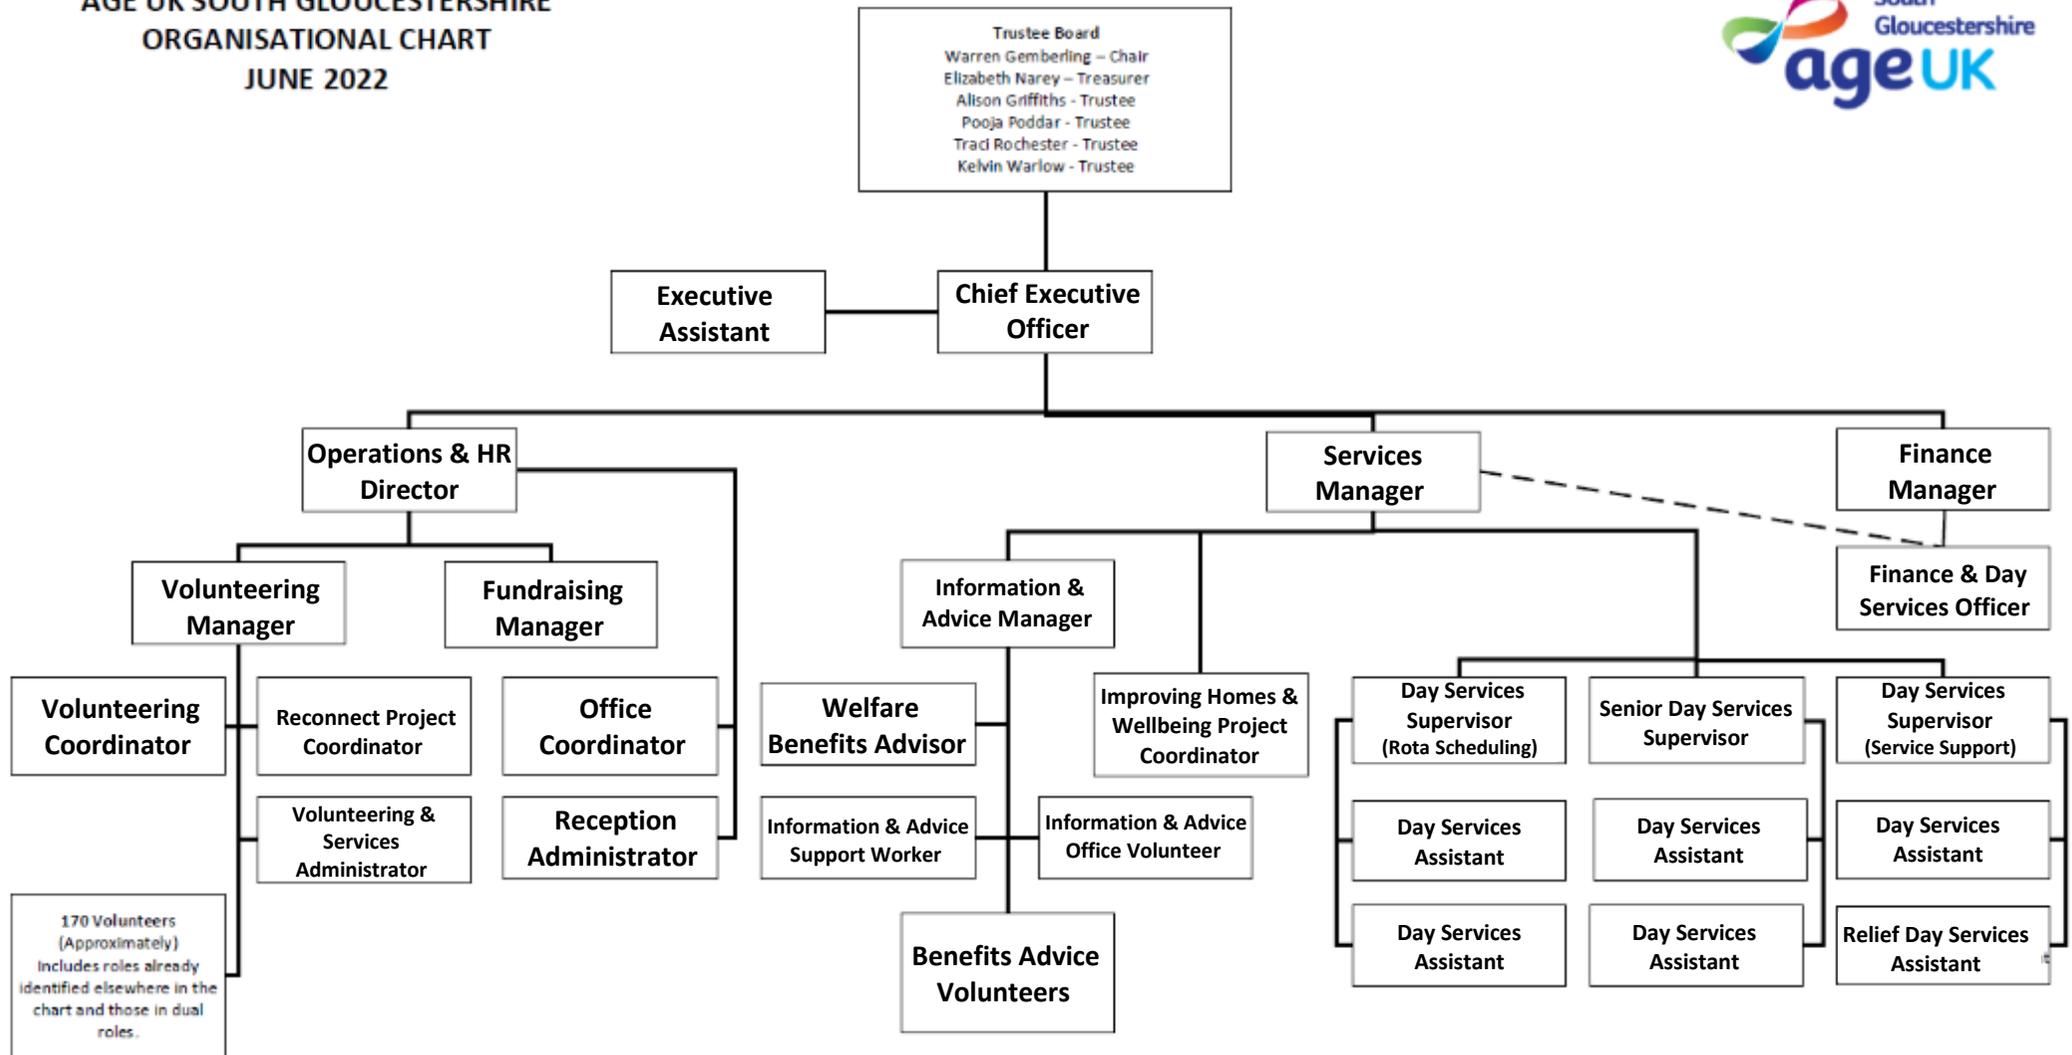

Age UK South Gloucestershire employs a team of over 25 paid staff, and over 170 wonderful volunteers support its work. The organisation's culture is one that puts people first, and the charity enjoys high staff morale. Vacancy Details

Digital Outreach Worker

21 hours per week

£21,269 per annum, pro-rata. Actual annual salary £11,911.

Fixed-term until 30th November 2023 - Renewal subject to funding

Although the number of older people who are digitally connected continues to rise, there are still around 5 million people over the age of 55 in the UK who are not online. Age remains the biggest indicator of who's digitally excluded.

We live in an increasingly online world, with many key services moving to become 'digital first'.

Since the outset of the COVID-19 pandemic, the role of the internet has become even more important, and for most people, this has changed the way they work, access services, maintain social contacts, and generally live their lives. While many older people have embraced digital technology, there are others who are less confident who are at risk of being left behind.

Age UK South Gloucestershire's new Digital Inclusion project looks to expand on our existing Technology Support provision and aims to deliver a programme to tackle digital exclusion by providing ongoing support for older people to increase and improve their digital skills and through the provision of loan technology to those older people without access. Being digitally included can help older people carry out the activities that matter most to them. It can help them stay connected with family and friends, find activities and support, access essential services, and remain socially connected.

As Digital Outreach Worker, you would assist the Project Coordination in successfully developing, promoting and delivering a digital inclusion support service to older people throughout South Gloucestershire. Duties will include running group community sessions or visiting older people 1:1 in their homes to deliver person-centred digital skills support sessions on a variety of devices, including smartphones and tablets (Apple and Android), laptops, and smart speakers.

If you have excellent IT skills and knowledge, are patient, a good communicator, are confident in delivering both group and 1:1 activities and would relish the opportunity to positively impact the lives of older people, we would like to hear from you.

Age UK South Gloucestershire offers a generous benefits package, and the charity is committed to equalities, diversity and inclusion and therefore encourages applications from all sectors of the community.
