

Role Profile

Early Intervention Worker

Second Step

9 Brunswick Square

Bristol BS2 8PE

March 2021

1. JOB DESCRIPTION

The job description does not describe a comprehensive list of duties, rather a broader range of accountabilities and performance indicators. The role profile is subject to review and change.

1.1 JOB PURPOSE

To provide a high quality support service to service users within the aims and objectives of the designated Second Step service.

1.2 JOB CONTEXT

Recovery Bristol Partnership will continually provide practical advice and support to individuals to allow them to maintain a rich and meaningful life.

Our service is for people who develop psychosis between the age of 14 and 35. The service is designed to support people by providing treatment in the early stages.

Our aim is to identify, engage and treat effectively people who are experiencing psychosis, as evidence shows the quicker support is provided, the better the outcomes for the individual. The Early Intervention in Psychosis (EIP) service, Second Step and Off the Record are working together to ensure effective and timely support for young people experiencing their first episode of psychosis.

We will also support families and carers to help them support the person experiencing psychosis.

The aim is to deliver recovery and wellbeing opportunities for people experiencing mental health problems and other support needs to achieve their hopes and ambitions.

1.3 ORGANISATION

Immediate Supervisor: Specialist Supervision (AWP)

Clinical Supervisor:	Specialist Recovery Practitioner (AWP)
Line Manager:	Human Resources Lead (Second Step)
Direct Reports:	None

1.4 JOB ACCOUNTABILITIES

- Build trusting and collaborative relationship with the service user, whilst working in a short term context.
- Carry out role adhering to Mental Health Bristol Partnership's policies, procedures, values, code of conduct and current legislation using a Recovery orientated, psychologically informed, equalities based approach
- To be an expert through personal lived experience of mental health recovery; to draw upon lived experience of mental health support needs and recovery to assist people to move forward positively.
- To be active in own recovery and show a willingness to share recovery experience
- Co produce, implement and review recovery plan, crisis plan and other self-management tools e.g. Wellness Recovery Action Plan, in partnership with service users in line with best practice.

To act as a specialist resource within the service, by offering a unique perspective to service users. To act as an expert on recovery resources. .

To facilitate positive culture change within the workplace, as defined by system leadership

- Identify, assess, contribute, maintain, feedback and manage risk to ensure risk is minimised. Work in a safe manner using a positive risk-taking approach, ensuring the health and safety policies of Mental Health Bristol are implemented and fully adhered to ensure all safeguarding issues are properly managed.
- Have up-to-date safeguarding training and ensure that Safeguarding policies and procedures are fully adhered to and that a Think Family approach is embedded within working practice.
- Support facilitation of delivery of the recovery plan and to enable service users to make informed decisions about their mental wellbeing, maximising their independence and providing advocacy role where appropriate.

- Work in a culturally sensitive way for all service users, tailoring service to meet their individual needs, challenging stigma and discrimination, advocating for person if appropriate, and ensuring up-to-date community knowledge. Work with a range of needs e.g. from young people to older people, LGBT service users , disabled people and with people with a range of backgrounds and ethnicity.
- Participate actively in supervision and reflective practice. Proactively seek advice and support from colleagues and other agencies as relevant
- Promote and facilitate service user involvement and inclusion within Mental Health Bristol and the community in line with Mental Health Bristol Partnership objectives.
- Contribute to project work, development initiatives and implementation of policies and procedures with guidance from Team Manager and Partnership and Recovery Development Managers.
- Contribute to Recovery College delivery and promote college activities to Service Users, family, carers and enable access.
- Support caseload management, documentation and time effectively, ensuring up to date and clear record keeping in line with MHB policies, making best use of supervision, training and staff development. Ensuring up to date and clear record keeping in line with policies.
- To use RIO electronic patient record system as required by the post. Training will be given around this.
- Collaborate with other team members to maximise service performance, meet targets and Service Level Agreements and promote effective communication and teamwork.
- Work within rota system including evenings and weekend working as required.
- Maintain hope and optimism for the individual with high expectations for recovery. Use lived experience (if appropriate)to positively support the individual's recovery.
- Work closely with carers, families and children as with service users carers if appropriate.

1.5 PERFORMANCE MEASURES

- Delivery of specified support work and project management to time and standard.
- Delivery of up to date support plans that are realistic, client centred and outcome focused.
- Positive outcomes for service users are achieved, including maintaining their tenancies, or securing appropriate move-on accommodation.
- Full implementation of policies and procedures.
- Contribution to the development of the service.
- Collaboration and contribution to the effectiveness of the team.
