VOLUNTEERING TASTER HOUR

12th February '20 10:30am - 11:30am

We are Lifeskills Safety Education Centre, based at The Create Centre.

We're seeking friendly, reliable people to join our team in a unique and exciting role that won't tie you down.

Our volunteer **Child Safety Tour Guides** teach Year 6 primary school children (age 10/11) how to keep themselves safe in their day-to-day lives, by taking them on an inter-active tour of our realistic village (which includes a road, beach, dark alleyway and even a railway platform).

The children experience lots of hazards and surprises along the way and are taught how to best deal with those situations, helping them to stay safe and become more independent.

During the volunteering taster hour, you'll hear about the incredible work we do and see us in action. After which, you'll understand what being a Lifeskills volunteer is all about. You're under no obligation, but if you do like what you see, we can discuss how you can get involved.
