

Bristol City Council Tenants

Get Involved...

We are introducing an exciting new way for council tenants to get involved and have a say on how Housing Services are run. The focus of this will be six new **Local Housing Forums** across the city.

We are holding a **free event** with refreshments on **Saturday 30 June 2018, 2–4pm** at City Hall to launch our new Local Housing Forums. Come along and find out more.

Closing date for bookings is **15 June 2018** and places are limited, so please contact Tenant Participation to book your place:
