

Welcome!

Welcome to the 14th annual St Werburghs Arts Trail.

The weekend of the 28-29th September sees the creative compass pointing firmly towards the talents of the St Werburghs arts community. This year showcases an abundance of artists, workshops and creative performances across the Trail; it's sure to be a fun weekend for everyone taking part. Keep a look out for the  symbol in this guide and be sure to check the schedule times for workshops, performances and live music dotted throughout the weekend.

The map inside this guide should help navigate you to the various venues which will have colourful bunting and balloons outside. Alternatively use our handy interactive map on the move at stwerburghsarts.org.uk. To help promote the event we encourage people to get involved and share your experience with the hashtag #StWerburghsArtsTrail on social media and upload any photos.

A huge thank you to all the artists, community venues and local businesses taking part. And special thanks to the tireless efforts of voluntary committee: Tereza Valentova, Adrian Estment, Felix Hayns Worthington, Mark Kauntze, Jen Walsh and Neil Roberts for working hard behind the scenes as usual to make the weekend happen.

All art work and brochure design by Luke Bailey Brown. bailey-brown.com
