## VOLUNTEER CALL OUT

### The Opportunity

Compass Presents are seeking enthusiastic and dynamic individuals to form part of our volunteer team for our summer 2023 programme of events. This is an exciting opportunity to be a part of Bristol's Summer Film Takeover and other unique experiences across the city.

### The Company

Compass Presents create immersive environments, enhanced screenings, and interactive encounters. Mixing film, visual art, digital content, music and performance, we use a multidisciplinary approach to present art from new perspectives. To find out more about us and the things we do, please visit our website [compasspresents.com](https://compasspresents.com).

### The Shows

Around The World in BS5 is a promenade experience exploring the cuisines, cultures and stories of communities from across the world. It will take place every Sunday throughout June, with shows running multiple times per day along Stapleton Road in Easton. You can find out more here [compasspresents.com/stapletonroad/](https://compasspresents.com/stapletonroad/).

Compass Presents is producing some of **Bristol's Summer Film Takeover** series in partnership with Bristol UNESCO City of Film; free film events taking place across the city, celebrating Bristol's culture and identity.

**Bristol Cycle Cinema** (Sat 22nd – Sun 23rd July) is a free outdoor screening on College Green of back-to-back cult classics along with 40 static bikes that will generate electricity to contribute to powering the screen.

**Summer of Soul Expanded Screening & Afterparty** (Sat 29th July) will take place in The Galleries Car Park Basement, an expanded screening of Sundance award-winner Summer of Soul, followed by an underground funk & soul party. In partnership with Cinema Rediscovered.

**100 Years of 16mm** (Sun 30th July) will celebrate the analogue world with free workshops in splicing, dicing and projecting, alongside short film screenings and live score performance activations from a very special guest. In partnership with Cinema Rediscovered.

**The 4 Pillars: 50 Years of Hip Hop** (Sat 12th Aug) is presented by Freestyle CIC and Bris–Story. A day of free screenings and activities to celebrate Hip Hop's 50th birthday, exploring its four pillars – breakdancing, graffiti, DJing and rap – and how it has helped influence Bristol's culture.

**As a volunteer (depending on your role) you will be expected to:**

- Welcome audiences
- Act as a runner/float to assist the productions
- Manage queues and general crowd management
- Be a reliable source of information for all attendees
- Be available to help with odd jobs
- Have a wonderful time with us as we celebrate Bristol's culture and film

It is important to us that all volunteers enjoy themselves during Compass Presents events alongside gaining experience and insight into how an organisation such as Compass Presents works. We are happy to provide references afterwards.

We will ensure you are fed while on shift and get some time to enjoy the event you are helping us with. You will also be given free pair of tickets to more Cinema Rediscovered Events to enjoy at your leisure. We can also act as a reference for future job applications and connect you to local creatives at the Pervasive Media Studio.
