Open Day Invitation

The Staff, Volunteers, Clients and Friends of THT would like to invite you to an open afternoon to learn about issues affecting Older People (50+) living with HIV

Over 50s are now the fastest-growing group of people living with HIV in the UK
Numbers are set to rise significantly over the next decade
Your organisation may need to support someone living with HIV in the near future

This is a unique opportunity to learn about THT services for over 50s living with HIV
You will also get an insight into other THT Bristol services
We look forward to seeing you
Have a great day!
