HERE**

We've identified five main types of current funding and recommend researching them in this order for the best chance of securing support ...

1

**Support from
your current
or previous
funders?**

Several funders have committed to providing additional support to their current and previous grantees. For example:

- National Lottery Community Fund
- Esmée Fairbairn
- Comic Relief
- Elton John Aids Foundation

2

**Sector specific
funding
support?**

The government and several national funders are offering targeted funding for specific sectors. For example:

- Domestic violence
- Welfare advice
- Hospices
- Arts
- Sport
- Food
- Heritage

3

**Specific
support for
your client
group?**

The government and several national funders are offering targeted funding for organisations supporting specific people. For example:

- Mental health
- Disabilities
- Sight loss
- Young entrepreneurs

4

**Emergency
grant funding
for Bristol
communities?**

The National Emergencies Trust and a range of local funders and foundations are prioritising Bristol and the West of England. For example:

- Quartet
- The Fore
- Standard Life
- Legal & General

5

**Regular non-
Covid grant
programmes?**

Not everyone can adapt services to the Covid response, so funding for recovery is still available from such as:

- National Lottery Awards for All
- Crowdfunding
- Trusts and foundations
