

Collaboration Support Resources

Steps towards collaboration	Key questions at each step
Internal evaluation	Here's a new opportunity. Is a partnership what we need? A partnership might be best. Are we ready? What are our options?
Assess structures	We're ready to collaborate. Which sort's most appropriate? How do we choose a structure?
Find partners	Who can we best work with?
Provisional commitment	Let's work together. What are the key principles and requirements we need to agree first?
Partner evaluation	We're ready to collaborate. What about our partners?
Formalise the collaboration	We're confident all the partners are ready. How do we formalise how the partnership will work?
Bid/ tender	We won the bid. Should we sign?
