

Young Volunteers Wanted

Bristol City Council is looking for young volunteers to help them develop youth services for Bristol!

What will you do?

You will work with Bristol City Council staff to help consult on and co-develop youth services for Bristol. You will also help to judge the suitability of organisations who wish to apply for funding to deliver these services. The role is open to Young People aged 11 – 19 (up to 25 if you have Learning Difficulties and Disabilities) who live in Bristol. It will be for approximately one year (starting in November 2016). You will be required to attend regular sessions but Bristol City Council will be flexible to accommodate other commitments you may have.

What's in it for you?

It will be an interesting opportunity to have a direct say in how services for Young People are run in Bristol! This experience can also be added to your CV and in return for volunteering you will receive training, travel expenses, £120 of reward vouchers for completing agreed hours and accreditation.

What do you need to do if you are interested?

If you would like to take up this opportunity then we are going to have a taster session on Tuesday the 22nd of November, 5:15 – 7:00 at Bristol City Hall. Food will be provided. You will need to confirm your interest by no later than **Monday the 21st of November**.
